YOUR SHARE AGREEMENTS AND TRUTH-IN-SAVINGS DISCLOSURE

GENERAL INFORMATION ABOUT ALL OF OUR ACCOUNTS

Par Value

The par value of each share will be \$5.00.

Dividend Rates

The Dividend Rates and Annual Percentage Yields for our Share ("Savings"), Checking and Share Certificate ("Certificate") Accounts are shown on the savings rate sheet which is available at the Credit Union or on our website nwpreferredfcu.com.

All savings accounts and certificate dividend rates are established by the Board of Directors. Dividend rates may change at any time without notice and there are no limitations placed on the amount of the change. Dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period. The board establishes dividend periods and declares dividends as permitted by the Federal Credit Union Act and applicable regulations. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the Dividend Rate and frequency of compounding for an annual period (one [1] year). The Dividend Rate and Annual Percentage Yield are the prospective rate and yield that the Credit Union anticipates paying for the Dividend Period.

Bylaw Requirements

The maximum amount of shares that may be held by any one member will be established from time to time by resolution of the board.

A member who fails to complete payment of one share within six (6) months of admission to membership, or within six (6) months from the increase in the par value of shares, or a member who reduces the share balance below the par value of one share and does not increase the balance to at least the par value of one share within six (6) months of the reduction may be terminated from membership.

Money paid in on shares or installments of shares may be withdrawn as provided in these bylaws or regulation on any day when payment on shares may be made provided, however, that:

- a) The board shall have the right, at any time, to require members to give, in writing, not more than sixty (60) days notice of intention to withdraw the whole or any part of the amounts so paid in by them, except for those amounts paid into share draft accounts ("checking accounts").

- b) The board may determine that if shares are paid in under an accumulated payroll deduction plan, as prescribed in the Accounting Manual for Federal Credit Unions, they may not be withdrawn until credited to members' accounts.
- c) No member may withdraw shareholdings that are pledged as required security on loans without the written approval of a loan officer, except to the extent that such shares exceed the member's total primary and contingent liability to the Credit Union. "Required security" as used in this subsection refers to shares which are in existence at the time the application is made and specifically required to be pledged as security as part of a secured transaction.
- d) No member may withdraw any shareholdings below the amount of his/her primary or contingent liability to the Credit Union if he/she is delinquent as a borrower, or if borrowers for whom he/she is co-maker, endorser, or guarantor are delinquent, without the written approval of a loan officer; except that shares issued in an irrevocable trust as provided in section 6 of this article are not subject to restrictions upon withdrawal except as stated in the trust agreement.
- e) The share account of a person whose membership is terminated in accordance with article II, section 5, of these bylaws may be continued until the close of the dividend period in which the membership is terminated, after which it shall be transferred to an account payable. The share account of a deceased member (other than one held in joint tenancy with another member) may be continued until the close of the dividend period in which the administration of the deceased's estate is completed, but not to exceed a period of four (4) years.
- f) The board shall have the right, at any time, to impose a fee for excessive share withdrawals from regular share accounts. The number of withdrawals not subject to a fee and the amount of the fee shall be established by board resolution and shall be subject to regulations applicable to the advertising and disclosure of terms and conditions on member accounts.
- g) All accounts may be subject to fees as shown on the Current Fee Schedule as amended from time to time, which is incorporated into this Agreement.

Withdrawals, Approved Methods

Only share draft blanks and other methods approved by the Credit Union may be used to withdraw funds from a checking account.

Electronic Check Conversion

Upon prior notification from the merchant to the Account Holder, a purchase made with a share draft or check can be converted to a one-time electronic fund transfer (EFT) if authorized by the Account Holder. The Account Holder may also authorize merchants to electronically debit the account for returned check fees. It is agreed that the Account Holder authorizes the electronic funds transfers if the transaction is completed after being told (orally or by a notice posted) that the transfer may be processed electronically or if the Account Holder signs a written authorization.

Overdrafts

If on any day, the available funds in your checking account are not sufficient to cover checks and other items posted to your account, those checks and items will be handled in accordance with our overdraft procedures or an overdraft protection plan you have with us. The Credit Union’s determination of an insufficient account balance may be made at any time between presentation and our established deadline with only one review of the account required. The Credit Union has no duty to notify you of an insufficient funds check. Your account will then be subject to a charge for the item, whether paid or returned, as set forth in the Current Fee Schedule. Except as otherwise agreed in writing, by covering one or any overdraft, the Credit Union does not agree to cover overdrafts in the

future and may discontinue covering overdrafts at any time. If the Credit Union pays a draft that would otherwise overdraw your account, you agree to pay the overdraft amount immediately. We reserve the right to pursue collection of previously dishonored items at any time, including giving a payor bank extra time beyond any established deadline limits.

Stale-Dated Share Drafts

- The Credit Union is under no obligation but may pay a share draft which is presented more than six (6) months after it is dated.
- The Credit Union may assess a special handling charge upon receipt of any such item in addition to a service charge upon the account in accordance with the fee schedules adopted by the Credit Union and as amended from time to time.

Stop Payments

- Stop Payment Request.** You may ask the Credit Union to stop payment on any check drawn upon your checking account. You may request a stop payment by telephone, by mail, or in person. The stop payment will be effective if the Credit Union receives the order in time to act upon the order and you state the number of the account, date and number of the check and its exact amount. If you give us incorrect or incomplete information, the Credit Union will not be responsible for failing to stop payment on the item. If the stop payment order is not received in time for the Credit Union to act upon the order, we will not be liable to you or to any other party for payment of the item. If we recredit your account after paying a check over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to transfer all of your rights against the payee or other holders of the check to the Credit Union, and to assist us in legal action taken against the person.
- Duration of Order.** An oral or written stop payment order will be effective for six (6) months. The Credit Union is not obligated to notify you when a stop payment order expires.
- Liability.** We may charge a fee for each stop payment order requested, as set forth on the Current Fee Schedule. You may not stop payment on any draft, cashiers check, or any other check or payment guaranteed by the credit union. You should be aware that while payment of the item may be stopped, you may remain liable to any person, including the Credit Union, who is a holder of the item despite the stop payment order. You agree to indemnify and hold us harmless from all costs, including attorney fees, damages or claims related to our action in refusing payment of an item, including claims of any multiple party account owner, payee, or endorsee in failing to stop payment of an item as a result of incorrect information you provided.

Truncation Of Drafts

You understand that when paid, your original check becomes property of the Credit Union and may not be returned to you but copies will be retained by the Credit Union or payable through financial institution and made available upon your request, subject to applicable fees as shown on the Current Fee Schedule as amended from time to time, which is incorporated into this Agreement.

Liability Of The Credit Union

Except for its own lack of good faith or failure to exercise ordinary care, the Credit Union is not liable for any action it takes regarding the payment or nonpayment of a share draft, even if nonpayment results in the forfeit of insurance, loss or damage of any kind.

Closure Of Account

- The Credit Union may close a Checking account at any time.

- Closure of a Checking Account will not affect the obligation to pay any outstanding balances or charges owed.

For Checking Accounts With Savings Overdraft Protection

If any Account Holder(s) writes a share draft that would result in a Checking Account being overdrawn, the Credit Union is authorized to charge the designated Savings Account(s), regardless of which party signed the item, in such multiples as determined by the Credit Union sufficient to permit the Credit Union to honor the share draft and any associated fees and to credit such charge to a Checking Account. No share draft overdraft may be paid by charging a Savings Account if, as a result of such charge, that Savings Account would be subject in any one (1) month to more than six (6) pre-authorized, automatic or telephonic transfers.

For Checking Accounts With Loan Overdraft Protection

If any Account Holder(s) writes a share draft which would result in a Checking Account being overdrawn, and if at that time any Account Holder(s) is eligible to receive loan advances from this Credit Union, the Credit Union is authorized to make an advance from the loan account, and to credit the advance to a Checking Account in such multiples as determined by the Credit Union sufficient to permit the Credit Union to honor such share draft and any associated fees.

SUBSTITUTE CHECK CONSUMER AWARENESS DISCLOSURE (CHECK 21)

IMPORTANT INFORMATION ABOUT YOUR CHECKING ACCOUNT

Substitute Checks And Your Rights

What Is A Substitute Check?

To make check processing faster, Federal law permits financial institutions to replace original checks with “substitute checks.” These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: “This is a legal copy of your check. You can use it the same way you would use the original check.” You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other laws with respect to those transactions.

What Are My Rights Regarding Substitute Checks?

In certain cases, Federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, overdraft check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You are also entitled to dividends on the amount of your refund if your account is a dividend-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under

other laws. If you use this procedure, you may receive up to \$2,500 of your refund (plus dividends if your account earns dividends) within ten (10) business days after we received your claim and the remainder of your refund (plus dividends if your account earns dividends) not later than forty-five (45) calendar days after we received your claim.

We may reverse the refund (including any dividends on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

How Do I Make A Claim For A Refund?

If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us at NW Preferred Federal Credit Union, PO Box 231269, Portland, OR 97281-1269. You must contact us within forty-five (45) calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include

- A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- An estimate of the amount of your loss;
- An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and
- A copy of the substitute check [and/or] the following information to help us identify the substitute check: (identifying information, for example the check number, the name of the person to whom you wrote the check, the amount of the check).

36 months	48 months minus 1 day
48 months	60 months minus 1 day
60 months	72 months minus 1 day

In that event the account will be canceled, and the principal amount upon which dividends are forfeited is the entire amount of the certificate.
- If the term of the certificate is 12 months or less, the forfeiture of dividends is the equivalent of 90 days simple dividends. For certificates with a term of greater than 12 months, the forfeiture of dividends is the equivalent of 180 days simple dividends.
- The penalty does not apply to any of the following early withdrawals: withdrawal subsequent to the death or adjudication of incompetence of any owner; withdrawal after the close of the Dividend Period in which the owner's Credit Union membership was terminated under Article II, Section 5 of the bylaws; if the account is an Individual Retirement Account (IRA) and withdrawal is made within the initial seven (7) day revocation period; if the account is an Individual Retirement Account (IRA) and the member has attained age 70½ or is disabled; or withdrawal as a result of liquidation of the Credit Union.

Account Ownership (Personal)

Unless otherwise specified in the Account Agreement, the parties who sign an Account Agreement agree with each other and with the Credit Union that all funds in the accounts shall be owned as follows:

- **Individual Accounts:** The account or certificate is owned by the party named on the Account Agreement ("Account Holder"). Upon the death of the party, ownership passes to the named pay-on-death payee(s), designated as the beneficiary(ies) on the Account Agreement.
- **Joint Accounts:** The account or certificate is owned by the parties named on the Account Agreement ("Account Holders"). Upon the death of any of them, ownership passes to the survivor(s). Upon the death of all of them, ownership passes to the named pay-on-death payee(s), designated as the beneficiary named on the Account Agreement. If the account includes a joint owner(s), the member may remove the joint owner(s) from the account with or without prior permission of the joint owner(s), however the joint owner(s) may not remove the member.

Living Trust Account: If you are a trustor/trustee and want to establish an account in connection with a written trust, the Credit Union requires you to provide a Certification of Trust confirming your power as a trustee

prior to opening the account. The Credit Union is not required to know, understand, interpret or enforce the terms of the Trust Instrument. Your Account is governed by the applicable terms and conditions set forth in this Disclosure and by the terms and conditions set forth in your "Trust Membership Application." Living trust accounts are not subject to Multiple Party Accounts Law.

Payable on Death/Totten Trust Accounts: The trustee(s) declare(s) that the account is, and any and all sums credited to such account are and shall be, held by you, as joint tenants and equally regardless of our net contributions with right of survivorship if there is more than one trustee in trust for the Beneficiary(ies) named on the Membership Application, reserving to you the right: (1) to have dividends declared on the account paid to you; and (2) to revoke such trust in whole or in part, at any time by executing and delivering to the Credit Union a request for withdrawal or pledge of funds of the whole or a part of the account, and such trust shall be revoked as to the whole or part to which such request relates. In the event of your death or, if the account is held by more than one person, upon the death of the survivor owner(s), then and only then, the Credit Union shall pay such account funds to the Beneficiary if then living (if more than one Beneficiary is designated then equally to those Beneficiaries living at the later of the date of your death or the death of the survivor owner(s), but if no Beneficiary is living at your death or the death of your survivor owner(s), the Credit Union shall pay such account funds to your estate or the estate of your survivor owner(s). A right of survivorship or a Beneficiary designation in such a passbook trust account cannot be changed by a Will.

Uniform Transfer to Minor Accounts: A Uniform Transfer to Minor Account (UTTMA) is an individual account established by a member as a custodian on behalf of a minor (a person under twenty-one (21) years of age). The custodian shall open the account in the name of the minor, include the minor's social security number, and must sign his or her own name on the Application. The custodian is the owner of the account for the exclusive right and benefit of the minor and, barring a court order otherwise, is the only party entitled to make deposits to, withdrawals from, or close the account. In the event of the custodian's death, the Credit Union may place an administrative hold on the account until it receives instructions from any person authorized by law to withdraw funds or a court order authorizing such withdrawal. It is the custodian's responsibility to turn the funds over to the minor beneficiary once the person reaches 21 years of age.

Fiduciary Accounts: You are duly appointed and acting in the capacity of Executor/Executrix, Administrator/Administratrix, Guardian or Conservator. By the authority vested in you, you are acting individually or jointly, authorized and empowered to transact business of any character in connection with this account. Your authority shall continue in force until written notice to the contrary is received by the Credit Union. If the account is blocked, you understand and agree that you shall file with the court a written receipt including an agreement with you that the funds in the account, including any dividends, shall not be withdrawn or pledged except upon court order. Fiduciary Accounts are not subject to the multiple party accounts law.

Agency Trust Accounts: The Credit Union assumes no liability or responsibility for the funds that are placed or withdrawn from this account. The Account Holder is the sole entity responsible for account administration or servicing under applicable law for Agency Trust accounts. Other NW Preferred accounts/suffix may be linked to a Agency Trust. It is understood that any linked account/suffix is governed by the particular disclosures contained within this booklet.

Joint Accounts

- a. **Rights of Joint Account Owners.** Any joint owner is authorized and deemed to act for the other owner(s) and the Credit Union may accept orders and instruction regarding the account and requests for future services from any other account owner. Each account owner guarantees the signature of the other owners. Any account owner may withdraw all funds in the account, stop payment on items drawn on an account, withdraw, or pledge or grant a security interest in all or any part of the shares of any account, including funds representing a

membership share, without the consent of the other account owner(s) and the Credit Union shall have no duty to notify any other joint account owner(s). A security interest in account funds granted by one owner will continue in effect after that owner's death, and takes priority over the survivorship interest of other owners. If the Credit Union receives written notice of a dispute between account owners or receives inconsistent instructions from them, the Credit Union may suspend or terminate the account, require a Court order to act or require that all joint account owners agree in writing to any transaction concerning the account.

- b. **Joint Account Owner Liability.** If any item deposited in a joint account is returned unpaid or an account is overdrawn, or if we do not receive final payment on any transaction, each of the multiple account owners is jointly and severally liable to the Credit Union for the amount of the returned item, overdraft, or unpaid amount and any charges, regardless of who created the overdraft, deposited or cashed the item or benefited from the transaction. If any account owner is indebted to the Credit Union, the Credit Union may enforce its rights against any or all funds in the joint account regardless of who contributed the funds to the joint account.

By signing the Membership Application, you agree to the terms and conditions in this Agreement, including the Funds Availability Policy, and the Current Fee Schedule accompanying this Agreement, which collectively govern your Business Membership and Accounts. You agree to notify the Credit Union of any change in authority. The Credit Union may rely on the written authorization until such time as the Credit Union is informed of changes in writing and has had a reasonable time to act upon such notice. The Credit Union may require that third party checks payable to an organization may not be cashed, but must be deposited to an organization account. The Credit Union shall have no notice of any breach of fiduciary duties arising from a transaction by any agent of the account owner, unless the Credit Union has written notice of any wrongdoing.

- 3) Unless otherwise indicated, any one Authorized Signer is expressly authorized to endorse all checks, overdrafts, notes and other items payable at the Credit Union, and to execute such other agreements and to perform such other acts as they deem reasonably necessary to carry out the provisions of this Agreement.
- 4) The authority given to the Authorized Signers shall remain in full force until written notice of revocation is delivered to and received by the Credit Union. Any such notice shall not affect any items in process at the time notice is given. An authorized officer, trustee, or agent of the Account Owner will notify the Credit Union of any change in the Account Owner's composition, assumed business names, or any aspect of the entity affecting the deposit relationship between the Account Owner and the Credit Union before any such change occurs. The Account Owner agrees that the Credit Union shall not be liable for any losses due to the Account Owner's failure to notify the Credit Union of such changes.

OTHER PERSONAL AND BUSINESS ACCOUNT & CONTRACT ISSUES

Deposit Requirements

Funds may be deposited to any account in any manner approved by the Credit Union, subject to restrictions outlined in this Agreement, the Rate Sheets and the Current Fee Schedule. All accounts are non-assignable and non-negotiable to third parties. Certificate accounts are also governed by the terms of this Agreement and the terms and disclosures on your Certificate Account Receipt for each account, which is incorporated herein by this reference.

- a. Endorsements.** You authorize the Credit Union, at its discretion, to accept transfers, checks, drafts, and other items for deposit into any of your accounts, whether or not they are endorsed by all payees. You authorize the Credit Union to supply missing endorsements if the Credit Union chooses to supply such endorsements. The Credit Union reserves the right to verify all endorsements on third party checks presented for deposit either in person or by comparison with member signature files. If an insurance, government, and certain other checks or drafts require an endorsement as set forth on the back of the check, the Credit Union may require endorsement as set forth on the check. Endorsements must be placed in the space on the back of the check between the top edge and 1 1/2 inches from the top edge. The Credit Union may accept drafts or checks with endorsements outside this space. However, if any such endorsement or other markings you or any prior endorser made on the check cause any delay or error in processing the item for payment, you will be responsible for any loss incurred by the Credit Union due to the delay or error.
- b. Collection of Items.** The Credit Union shall not be responsible for deposits made by mail or at an unstaffed facility until the Credit Union actually receives them. In handling items for deposit or collection, the Credit Union only acts as your agent and assumes no responsibility beyond the exercise of ordinary care. The Credit Union will not be liable for default or negligence of any correspondent or for loss

in transit, and each correspondent will only be liable for its own negligence. The Credit Union reserves the right to send any item for collection.

- c. **Final Payment.** All items or Automated Clearing House (“ACH”) transfers credited to your account are provisional and subject to our receipt of final payment. If final payment is not received, we reserve the right to charge your account for the amount of those items or ACH transfers and impose a return charge on your account. After we have received final payment, we refer to these deposits as collected items. If the Credit Union incurs any fee to collect any item, the Credit Union may charge such fee to your account. The Credit Union reserves the right to refuse or to return all or any item or funds transfer. The Credit Union shall have the right to charge back against your account all previously deposited items or other items endorsed by you that are returned to the Credit Union unpaid, regardless of whether the amount of the item has been available for your use.
- d. **Direct Deposits.** The Credit Union may offer direct deposit options allowing you to preauthorize deposits (i.e., government checks) or preauthorize transfers from other accounts at the Credit Union. If applicable, you must notify the Credit Union at least 30 days prior to any direct deposit or preauthorized transfer if you wish to cancel or change the direct deposit or direct transfer option. Upon a filing of a bankruptcy, if you fail to cancel any direct deposit authorization, you instruct your employer and the Credit Union to make and apply direct deposits in accordance with your authorization on file with the Credit Union. If the Credit Union is required to reimburse the U.S. Government for any benefit payment directly deposited into your account for any reason, you agree the Credit Union may deduct the amount returned from any of your accounts, unless prohibited by law.
- e. **Crediting of Deposits.** Unless otherwise stated in the Funds Availability Policy, deposits received at our offices on business days before the deposit cutoff time will be credited to your account as of the day of the deposit. Deposits made after the deposit cutoff time and deposits made on Credit Union holidays and on days that are not business days of the Credit Union will be credited to your account on the next business day. Deposits received at unstaffed teller locations, such as night depositories, will be credited on the day funds are removed and processed by the Credit Union. You waive any notice of nonpayment, dishonor, or protest regarding any items credited to your account.

Account Access

- a. **Authorized Signature.** In order to access any account, the Credit Union must have an authorized signature of yours on a Membership Application. The Credit Union is authorized to recognize your signature, but will not be liable for refusing to honor any item or instruction of yours if it believes in good faith that the signature on such item or instruction is not genuine. If you have authorized the use of a facsimile signature, the Credit Union may honor any draft that appears to bear your facsimile signature even if it was made by an unauthorized person. If you give your account number to a third person, you authorize us to honor transactions initialized by the third person even if you did not specifically authorize a particular transaction.
- b. **Access Options.** You may make withdrawals or transfers from your account in any manner which is permitted by the Credit Union (i.e., computer, branch, check, automated teller machines (ATMs), mobile device, debit card, in person, by mail, automatic transfer or telephone). If the Credit Union accepts any draft that is not drawn on a form provided by the Credit Union, you will be responsible for any loss incurred by the Credit Union for handling the draft. The Credit Union may return as unpaid any check that is not drawn in the form provided by the Credit Union.
- c. **ACH and Wire Transfers.** If offered, you may initiate credits or

debits to your account via wire transfer or ACH (“Automated Clearing House”) transfer. You agree that if you receive funds by a wire or ACH transfer, the Credit Union is not required to notify you at the time the funds are received. Instead, the transfer will be shown on your periodic statement. The Credit Union may provisionally credit your account for an ACH transfer before it receives final settlement for the transfer. You agree that if the Credit Union does not receive final settlement for a transfer, it may reverse the provisional credit to your account, or you will refund the amount to the Credit Union. When you initiate a wire transfer, you may identify either the recipient or any financial institution by name and by account or identifying number. The Credit Union (and other institutions) may rely on the account or other identifying number you give as the proper identification number, even if it identifies a different party or institution. Wire transfers are governed by Federal Reserve Regulation J if the transfer is cleared through Federal Reserve. ACH transactions are governed by the rules of the National Automated Clearing House Association.

- d. **Credit Union Examination.** The Credit Union may disregard information on any check other than the signature of the drawer and amount of the item and any magnetic encoded information. You agree the Credit Union does not fail to exercise ordinary care in paying an item solely because its procedures do not provide for sight examination of items.
- e. **Transactions by Mail.** Except as otherwise provided in this Agreement, the Credit Union may permit you to make deposits, transfers, and withdrawals by mail. Transfers and withdrawals by mail will require a signed written request by you. Such transactions will be posted to your account as of the day the transaction is received at the Credit Union.
- f. **Electronic Check Transactions.**
 - 1) **Electronic Checks.** If you authorize a merchant to electronically debit your checking account using the routing, account and serial number of your check to initiate the transfer, whether the check is blank, partially or fully completed and signed, such authorization is an electronic funds transfer (“EFT”) subject to the terms of your Electronic Funds Transfer Agreement. You authorize us to honor any electronic check conversion from your checking account just the same as a regular written check.
 - 2) **Electronic Re-presented Checks.** If you write a check on your account that we return unpaid because of insufficient or uncollected funds, payee or any subsequent holder of the check may re-present the check to us, through an electronic instruction (“Electronic Re-presented Check”) to charge your account for the amount of the check. If we receive an electronic re-presented check, we will pay or return the electronic re-presented check as if the original paper check was presented to us. Any collection fee you authorize the merchant to debit from your account is an electronic funds transfer subject to the terms of your Electronic Funds Transfer Agreement. If you want to reverse an electronic re-presented check, you must give us an affidavit within fifteen (15) days after we send or make available to you the periodic statement that reflects payment of that electronic re-presented check. In your affidavit, you must declare and swear under oath that the electronic re-presented check was ineligible or unauthorized. If we receive a proper notice or affidavit from you within the fifteen (15) day period, we will recredit your account with the amount of the charge. If you wish to stop payment of any electronic re-presented check, you must follow the procedures contained in this Agreement for stopping payment of checks, not the procedures for stopping payment on electronic loan or bill payments. If you ask us to request the depositor’s bank to send us the original paper check or a copy of the paper check, and we provide it to you, you agree that you will not seek to have your account recredited due to a prior stop payment order if the item is otherwise ineligible for collection.

Account Rates and Fees

The Credit Union's payment of dividends or interest on any account is subject to the account rates and fees, earnings, payment and balance requirements as set forth on the Rate and the Current Fee Schedule and each Certificate Receipt, which are incorporated herein by this reference. You agree that the Current Fee Schedule may change from time to time and you will be notified of such changes as required by law.

Transaction Limitations

- a. **Withdrawal Restrictions.** The Credit Union will permit a withdrawal only if you have sufficient available funds in your account to cover the full amount of the withdrawal or have an established overdraft protection plan. Drafts or other transfer or payment orders which are drawn against insufficient available funds will be subject to a service charge, set forth in the Current Fee Schedule. If there are sufficient available funds to cover some but not all of your withdrawal orders, the Credit Union may allow those withdrawals for (which there are sufficient available funds in any order at the Credit Union's discretion).
- b. The Credit Union can also refuse to allow a withdrawal in other cases; for example: any dispute between the owners of the account (unless a court has ordered the Credit Union to allow the withdrawal); a legal garnishment or attachment is served; the account secures an obligation to the Credit Union; any required documentation has not been presented; or you fail to repay a Credit Union loan on time. Any garnishment is subject to the Credit Union's lien or security interest in an account. You will be advised of the reasons for refusal if such action is taken. The Credit Union reserves the right to require members to give notice in writing of any intended withdrawals from any account (except checks) of not less than 7 days and up to 60 days, as required by applicable law, before such withdrawal.
- c. **Transfer Limitations.** For savings and money market accounts, you may make up to six (6) preauthorized, automatic, online banking transfers to another account of yours or to a third party during any calendar month. A preauthorized transfer includes any arrangement with the Credit Union to pay a third party from the member's account upon oral or written orders, including orders received through the automated clearing house (ACH). There is no limit on the number of transfers or withdrawals you may make from your savings or money market account (i) by mail, in person or by telephone instructions resulting in a check mailed directly to you; or (ii) to make a payment on a loan account with the Credit Union. If a transfer request would exceed the transfer limitations set forth above in any statement period, the Credit Union may refuse or reverse the transfer, and your account will be subject to suspension or closure by the Credit Union, and the Credit Union may impose a charge.

Overdrafts

- a. **Overdraft Liability.** If on any day, the available funds in your checking account are not sufficient to cover checks and other items or transactions (overdrafts) posted to your account, those checks and items will be handled in accordance with our overdraft procedures or an overdraft protection plan you have with us. The Credit Union's determination of an insufficient account balance may be made at any time between presentation and the Credit Union's deadline with only one review of the account required. The Credit Union has no duty to notify you of an insufficient funds check. Your account will then be subject to a charge for the item whether paid or returned as set forth in the Current Fee Schedule. Except as otherwise agreed in

Postdated And Staledated Items

You authorize us to accept and pay any check, even if the check is presented for payment before its date, unless you notify the Credit Union of the postdating. Your notice will be effective only if the Credit Union receives the notice in time for the Credit Union to notify its employees and reasonably act upon the notice and you accurately describe the check, including the number, date, and amount. You understand that the exact information is necessary for the Credit Union's computer to identify the check. If you give the Credit Union an incorrect, incomplete, or untimely notice, the Credit Union will not be responsible for paying the item before the date stated and the Credit Union may charge your account as of the date the Credit Union pays the item. You may request a stop payment online, by telephone, by mail or by appearing in person. The stop payment will be effective if the Credit Union receives the order in time for the Credit Union to act upon the order and you state the number of the account, date and number of the item, its exact amount, and to whom it was issued. If you give the Credit Union incorrect or incomplete information, the Credit Union will not be responsible for failing to stop payment on the item. If the stop payment order is not received in time for the Credit Union to act upon the order, the Credit Union will not be liable to you or to any other party for payment of the item. If we recredit your account after paying a check over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to transfer all of your rights against the payee or other holders of the check to the Credit Union, and to assist the Credit Union in legal action taken against the person.

Any conflict between oral representations by you or Credit Union employees and any written form will be resolved by reference to this Agreement and applicable written form.

Credit Union Lien And Security Interest

To the extent you owe the Credit Union money as a borrower, guarantor, endorser, or otherwise, the Credit Union has a lien on any or all of the funds in any account in which you have an ownership interest at the Credit Union, regardless of the source of the funds. The Credit Union may apply these funds in any order to pay off your indebtedness. If the Credit Union chooses not to enforce its lien, the Credit Union does not waive its right to enforce the lien at a later time. In addition, you grant the Credit Union a consensual security interest in your accounts and agree the Credit Union may use the funds from your accounts to pay any debt or amount owed the Credit Union, except obligations secured by your dwelling, unless prohibited by applicable law. All accounts are non-assignable and non-transferable to third parties.

Legal Process

If any legal action, such as a levy, garnishment, or attachment, is brought against your account, the Credit Union may refuse to pay out any money from your account until the dispute is resolved. If the Credit Union incurs any expenses or attorney fees in responding to legal process, such expenses may be charged against your account without prior notice to you, unless prohibited by law. Any legal process against your account is subject to the Credit Union's lien and security interest.

We are required by law to adhere to any garnishment or levy within the given timeframe. Your account is subject to a garnishment fee as disclosed in the Current Fee Schedule.

Account Information

Upon your request, the Credit Union will inform you of the name and address of each credit reporting agency from which the Credit Union obtains a credit report in connection with your account. The Credit Union agrees not to disclose information to third parties about your account regarding any transaction or balances except when:

- 1) it is necessary to complete the transaction;
- 2) the third party seeks to verify the existence or condition of your account in accordance the Fair Credit Reporting Act or other applicable laws and regulations;
- 3) such disclosure is in compliance with the law, government agencies or court orders; or
- 4) you give us your written permission.

Notices

- a. **Name or Address Change.** It is your responsibility to notify the Credit Union upon a change of address or change of name. The Credit Union is only required to attempt to communicate with you at the most recent address you have provided to the Credit Union. The Credit Union will accept change of address notices by written instruction and may require any other notice from you to the Credit Union be provided in writing. If the Credit Union attempts to locate you, the Credit Union may impose a service fee as set forth on the Current Fee Schedule contained in this booklet.
- b. **Notice of Amendments.** Except as otherwise prohibited by applicable law, the terms of this Agreement are subject to change at any time. The Credit Union will notify you of any changes in account terms, rates, or fees as required by law. Changes in account ownership such as adding or removing a joint account owner, must be evidenced by written instruction which, upon execution, will be incorporated herein by this reference. The Credit Union reserves the right to waive any term in this Agreement. Any such waiver shall not affect the Credit Union's right to enforce any right in the future. You or any account owner may change the account ownership and types of accounts or services at any time without the consent of any other account owners. Amendments requested by you, or any account owner, such as adding or closing an account or service, may be made by telephone instruction followed by written authorization.
- c. **Effect of Notice.** Any written notice you give to the Credit Union is effective when it is actually received by the Credit Union. Any written notice the Credit Union gives to you is effective when it is deposited in the U.S. Mail, postage prepaid and addressed to you at your statement mailing address. Notice to any one account owner is considered notice to all owners of the account. You agree that oral instructions are binding and agree to hold the Credit Union harmless from any liability arising as a result of such instructions.

Taxpayer Identification Numbers (TIN) And Backup Withholding

If your account is or becomes subject to backup withholding, the Credit Union is required by law to withhold and pay to the Internal Revenue Service (IRS) a required percentage of payment of interest, dividends and certain other payments under certain conditions. Your failure to furnish a correct taxpayer identification number (TIN) or meet other applicable requirements may result in backup withholding as well as civil or criminal penalties. If you refuse to provide your TIN, the Credit Union may suspend the opening of your account.

Statements

If a periodic statement is provided you agree that only one statement is necessary for a multiple party account.

- a. **Examination.** You are responsible for examining each statement and reporting any irregularities to the Credit Union. The Credit Union will not be responsible for any forged, altered, or unauthorized item drawn on your account if
- 1) you fail to notify the Credit Union within thirty (30) days of the mailing date of the earliest statement and availability of checks containing any forgery, alteration, or unauthorized signature on the item; or
 - 2) any items are items forged or altered in a manner not detectable by a reasonable person including the unauthorized use of a facsimile signature machine.
- b. **Notice to Credit Union.** You agree that the Credit Union's retention of drafts does not alter or waive your responsibility to examine your statements and draft copies or the time limit for notifying the Credit Union of any errors. The statement will be considered correct for all purposes and the Credit Union will not be liable for any payment made or charge to your account unless you notify the Credit Union in writing within the above time limit after the statement and checks are made available to you.

Dormant And Abandoned Accounts

If the time period specified in the Current Fee Schedule has passed without a deposit made into or a withdrawal out of the account, it will be classified as dormant, and a fee may be applied pursuant to the Current Fee Schedule. You authorize us to transfer funds from an available share or access an account to cover the monthly maintenance fee, if necessary. If a deposit or withdrawal has not been made on the account and the Credit Union has had no other contact with you for three (3) years as required by the Uniform Unclaimed Property Act, the account will be presumed to be abandoned. Funds in abandoned accounts will be remitted in accordance with state law, and may be subject to a fee. Once funds have been turned over to the state, the Credit Union has no further liability to you for such funds and if you choose to reclaim such funds, you must apply to the appropriate state agency.

Death Of Account Owner

You irrevocably waive the right to make a testamentary disposition of any account with the Credit Union, now and in the future. You agree that upon your death, your account will be payable in accordance with any existing account designations and the terms of this Agreement. The Credit Union may require the survivor or other claimant to the account to produce certain documents before releasing the funds in the account. The Credit Union may continue to honor all transfers, withdrawals, deposits and other transactions on the account until the Credit Union learns of an account owner's death. Once the Credit Union learns of a member's death, the Credit Union may pay checks or honor other payments or transfer orders authorized by the deceased member for a period of ten (10) days unless the Credit Union receives instructions from any person claiming an interest in the account to stop payment on the checks or other items. You agree that the Credit Union can require that anyone who claims funds in your account after your death to indemnify the Credit Union for any losses resulting from honoring that claim.

Termination Of Account

You may terminate your membership at the Credit Union after giving written notice of your intent to withdraw from membership. The Credit Union is not liable for payment on any check item or other instruction once your membership is terminated. You may be denied services or expelled from membership for any reason allowed by applicable law, including causing a loss to the Credit Union.

The Credit Union may terminate your account at any time without notice to you or may require you to close your account and apply for a new account if:

- 1) there is a change in owners or authorized signers;

- 2) there has been a forgery or fraud reported or committed involving your account;
- 3) there is a dispute as to the ownership of the funds in the account;
- 4) any account checks are lost or stolen;
- 5) there are excessive returned unpaid items not covered by an overdraft protection plan; or
- 6) there has been any misrepresentation or any other abuses of any of your accounts; otherwise, the Credit Union may terminate your account for any reason by providing reasonable notice.
- 7) you choose, you may terminate your account prior to the effective date of any account changes. You may terminate your account at any time by notifying the Credit Union in writing. The Credit Union is not responsible for payment of any check, withdrawal, or other item once your account is terminated; however, if the Credit Union pays a check after termination, you agree to reimburse the Credit Union for payment.

Special Account Instructions

You may request the Credit Union to facilitate certain trust, will, or court-ordered account arrangements. You and any surviving owner or beneficiary agree(s) to indemnify and hold the Credit Union harmless from any claim or liability asserted against the Credit Union as a result of the disposition of funds in reliance on this Agreement and any account designation of yours.

However, because the Credit Union does not give legal advice, we cannot counsel you as to which account arrangement most appropriately meets the specific requirements of your trust, will, or court order. If you ask the Credit Union to follow instructions that the Credit Union believes might expose it to claims, suits, lawsuits, expenses, liabilities, or damages, whether directly or indirectly, the Credit Union may refuse to follow your instructions or may require you to post a bond to indemnify the Credit Union. Any item presented with a full payment legend must be presented in person to a Credit Union officer; otherwise, payment is accepted with full reservation of rights.

Account changes requested by you, or any account owner, such as adding or closing an account or service, must be evidenced by a signed Account Application and accepted by the Credit Union. The Credit Union will not recognize the authority of someone to whom you have given power of attorney without a copy of the Power of Attorney on record at the Credit Union.

Severability

In the event that any paragraph of this Agreement or any portion thereof is held by a court to be invalid or unenforceable for any reason, the other paragraphs and portions of this Agreement shall not be invalid or unenforceable and will continue in full force and effect.

Enforcement

You agree to be liable to the Credit Union for any liability, loss, or expense as provided in this Agreement that the Credit Union incurs as a result of any dispute involving your accounts or services. You authorize the Credit Union to deduct any such liability, loss, or expense from your account without prior notice to you. In the event either party brings a legal action to enforce the Agreement or collect any overdrawn funds on accounts accessed under this Agreement, the prevailing party shall be entitled, subject to applicable law, to payment by the other party of its reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post-judgment collection actions, if applicable.

FUNDS AVAILABILITY POLICY (YOUR ABILITY TO WITHDRAW FUNDS)

General Policy

The policy of this Credit Union is to provide members with the access to funds deposited to their account as soon as possible. Electronic direct deposits will be available on the day the deposit is received. Once available, funds may be withdrawn in cash and be available to pay checks written against the member's account. To determine the availability of deposits, every day is considered a business day, except Saturdays, Sundays and federal holidays. Deposits made before 9:00 p.m. on a business day the Credit Union is open will be considered to be the day of deposit. Deposits made after the close of business or on a day the Credit Union is not open will be considered as having been deposited on the next business day the Credit Union is open.

Reservation Of Right To Hold

In some cases, the Credit Union will not make all of the funds deposited by check available on the same business day they are received. Depending on the type of check deposited, funds may not be available until the second (2) business day after the day of deposit. However, the first (1) \$200.00 of a deposit will be available on the first (1) business day. If a portion of funds from a deposit will not be available on the first (1) business day, the Credit Union will notify the depositor at the time of deposit. Notice will be provided as to when funds will be available. If a deposit is not made directly to a Credit Union employee, or if a decision is made to take this action in the absence of the depositor, notice will be sent via mail or electronically to the depositor no later than the next business day after the deposit is received.

Holds On Other Funds

If the Credit Union cashes a check drawn on another financial institution, the Credit Union reserves the right to withhold the availability of a corresponding amount of the funds in the member's account. Those funds will be available following the time frames set forth in this policy. If the Credit Union accepts deposit of a check drawn on another financial institution, we may make funds from the deposit immediately available for withdrawal but delay availability of a corresponding amount of funds on deposit in another account held by the member at the Credit Union. Those restricted funds would be available for withdrawal following the time frames set forth in this policy.

Longer Delays May Apply

The Credit Union may delay access to funds deposited by check an additional number of days for these reasons:

- Reasonable belief that a deposited check will not be paid.
- Deposit of a check(s) totaling more than \$5,000.00 on any one day.
- Deposit of a check that has been returned unpaid.
- Member has overdrawn their account repeatedly in the last six (6) months.
- There is an emergency, such as failure of communications or computer equipment.

The Credit Union will provide notice if access to funds is restricted for any of these reasons, and will advise the depositor when the funds will be available. Funds will generally be available no later than the seventh (7) business day after the day of deposit.

Special Rules For New Accounts

For new members, the following special rules will apply during the first thirty (30) days an account is open. Funds from electronic direct deposits to your account will be available on the day the deposit is received. Funds from deposits of cash, wire transfers, and the first \$5,000.00 of a day's total deposits of cashier's, certified, and federal, state, and local government checks will be available on the first (1) business day after the day of deposit if the deposit meets certain conditions. For example, the checks must be payable to the depositor. The excess over \$5,000.00 will be available on the ninth (9) business day after the day of deposit. If deposit of these checks (other than a US Treasury check) is not made, in person, at the Credit Union, the first \$5,000.00 will not be available until the second (2) business day after the day of deposit. Funds from all other check deposits will be available on the ninth (9) business day after the day of deposit.

Deposits At Automated Teller Machines, Shared Branch Locations & Mobile Devices

Funds from deposits made at automated teller machines (ATMs), shared branch locations and mobile devices will not be available until the second (2nd) business day after the day of your deposit. Once available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written. For deposits made before 9:00 pm at any shared branch locations or mobile device, on a business day that we are open, we will

consider that day to be the day of your deposit. However, if you make a deposit after 9:00 pm or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Special Endorsement Standards

The federal law dealing with funds availability requires the financial institution's endorsement area on the back of a check be kept clear or unobstructed. This rule is designed to prevent unnecessary delays in processing deposits as well as to promote speedier returns of dishonored checks. Only the 1-1/2 inch space from the "trailing edge" (the left edge of the check when it is facing you) can be used for endorsements or any other markings. The Credit Union will not be responsible for any damages incurred in the event you deposit an item that is subsequently returned unpaid by the paying bank and that return is "late" due to markings on the check caused by you or a prior endorser on the back of the check. In the event that you draw a check on your Credit Union checking or loan account, you are responsible for any delay or misrouting of the check caused by markings placed on the check by you that obscure any depository endorsements placed by the Credit Union or our agents and you agree to hold the Credit Union harmless and indemnify the Credit Union from any liability due to such delay or misrouting.

CHECK CASHING POLICY

A fee, per item, will be assessed for cashing all checks drawn on another financial institution (including payroll checks) unless the member has one of the following:

1. A minimum combined account balance (including IRAs) of \$300.00
2. An active NW Preferred Checking account
3. A certificate
4. A loan
5. A NW Preferred Federal Credit Union Visa card.

Checks will only be cashed for members in good standing. All checks presented are subject to the Credit Union's Funds Availability policy.

INFORMATION ABOUT YOUR INSURED FUNDS

Federal insurance for your NW Preferred Federal Credit Union account is provided by the National Credit Union Share Insurance Fund (NCUSIF) through NW Preferred Federal Credit Union. NCUSIF is the federal fund created by Congress in 1970 to insure member's deposits in credit unions. Administered by the National Credit Union Administration, the NCUSIF is backed by the "full faith and credit" of the U.S. Government.

Properly established share accounts in federally insured credit unions are insured up to \$250,000.00 (Deposits in IRAs are separately insured up to \$250,000.00). Generally, if a credit union member has more than one (1) account in the same credit union, those accounts are added together and insured up to \$250,000.00.

There are exceptions, though. You may obtain additional insurance coverage on multiple accounts, but only if you have different ownership interests or rights in different types of accounts and you properly complete account forms and applications. For example, if you have a regular share account and an Individual Retirement Account (IRA) at the same credit union, each account is insured up to \$250,000.00.

However, if you have a regular share account, share certificate account and share draft account, all in your own name, you will not have additional coverage.

Those accounts will be added together and insured up to \$250,000.00 as your individual account. Additional information on Federal Share Insurance is available to you on request in the *Your Insured Funds* booklet which is available at the Credit Union or at the NCUA website, www.ncua.gov.
